

Ongoing projects

List of international projects at the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers

No	Program	Project name	Duration	Project manager	Place of work	Partner University/organization
1	ERASMUS+	New curriculum of the Master's Program in Bioeconomics (BioEconomy)	2020-2023	Sh.Rakhmonov	Head of International Cooperation Department	University of Life Sciences and Technology of Latvia
2	JICA, JST	Development of new technologies for the use and monitoring of water in the Aral Sea region aimed at reducing soil salinity and increasing productivity	2020-2025	A.Salokhiddinov	Vice-rector for international cooperation	Kyoto University, Tohoku University, Kitakyushu University, Mie University, Chiba University, Kobe University, Tottori University, Tottori University
3	SDG Nexus Network	SDGnexus Network - a global community of universities, research centers and stakeholders promoting the UN's 2030 Sustainable Development Plans.	2020-2025	A.Salokhiddinov	Vice-rector for international cooperation	University of Giessen (Germany), University of Central Asia (Tajikistan and Kyrgyzstan), University of Los Angeles (Columbia), Columbia National University (Colombia), University of Cuenca (Ecuador), Andina Simon Bolivar University (Ecuador)
4	UniCEN	Advanced Agricultural Machinery Partnership between Iowa and TIAME	2020-2021	A.Amonov	Head of the Department of Tractors and Automobiles	Iowa State University
5	UniCEN	Cooperation project with universities of Uzbekistan	2019-2021	A.Amonov	Head of the Department of Tractors and Automobiles	Oklahoma State University
6	UniCEN	Mississippi State University and Tashkent State Agrarian University and TIAME Dual Degree Program	2019-2021	A.Amonov	Head of the Department of Tractors and Automobiles	Mississippi State University
7	ERASMUS+	DSinGIS: Doctorate Degree in Geoinformatics	2017-2021	I.Abdurakhmonov	PhD student	Obuda University
8	ERASMUS+	NICoPA: New and Innovative Courses for Precision Agriculture	2018-2021	I.Abdurakhmonov	PhD student	Technische Universität Berlin
9	ERASMUS+	Credit Mobility	2017-2022	I.Abdurakhmonov	PhD student	Humboldt Universität zu Berlin
10	ERASMUS+	Credit Mobility	2017-2021	I.Abdurakhmonov	PhD student	Weinstein Trizdorf University
11	ERASMUS+	Credit Mobility	2017-2021	I.Abdurakhmonov	PhD student	University of Salzburg
12	ERASMUS+	Credit Mobility	2018-2023	I.Abdurakhmonov	PhD student	Northern University
13	Water, education and cooperation in Central Asia	GRANT	2016-2023	A.Salokhiddinov	Vice-rector for international cooperation	CAREC-USAID
14	ERASMUS+	Credit Mobility	2020-2023	Sh.Rakhmonov	Head of International Cooperation Department	Castilla La Mancha University
15	POWERCHINA	GRANT	2017-2022	A.Salokhiddinov	Vice-rector for international cooperation	Hohai University
16	ERASMUS+	Credit Mobility	2018-2023	A.Arifjanov	Professor of Hydraulics and Hydroinformatics	Slovak Agricultural University in Nitra
17	Folkswagen funds	SUSADICA: "Sustainable Agricultural Development in Central Asia"	2015-2021	B.Mirzaev (M.Amonov)	Head of the Department of Tractors and Automobiles	CAREC-USAID
18	ERASMUS +	Credit Mobility	2018-2023	A.Arifjanov	Professor of Hydraulics and Hydroinformatics	University of Oradea (Romania)
19	World Bank	GRANT	2018-2021	U.Sangirova	Head of the Department Economics	IAMO
20	<i>The Modernizing Uzbekistan's National Innovation System</i>	<i>«Automated drip irrigation system for agricultural crops using renewable energy sources»</i>	2022-2024	<i>Majidov T.</i>	<i>Chairman of the Board of Directors of the public association "Suvchi", PhD</i>	<i>The World Bank</i>

21	<i>The Modernizing Uzbekistan's National Innovation System</i>	<i>«Energy efficiency monitoring system of operated irrigation pumping stations in Uzbekistan»</i>	2022-2024	<i>Ikramov N.</i>	<i>Doctoral student of "TIAME" NRU of the department "Use of water energy and pumping stations", PhD</i>	<i>The World Bank</i>
