

Purpose

Today the main actual problem is the use of the latest achievements of the international education standard in teaching process. In this regard, the International Cooperation Department of the institute establishes friendly contacts with other institutions of higher education all over the world. It provides tips on how to participate in scholarships and scholarship programs such as: "El-yurt umidi" fund under the Cabinet of Ministries of the Republic of Uzbekistan, the European Union, Russia, US and other countries in the field of internships and short-term training courses and exchange programs for professors and teachers.
