

CALL FOR APPLICATIONS FOR A 3-MONTH STUDY MOBILITY IN SLOVAKIA

CALL FOR APPLICATIONS FOR A 3-MONTH STUDY MOBILITY AT THE SLOVAK UNIVERSITY OF AGRICULTURE UNDER THE ERASMUS+ ICM (KA171) PROGRAMME

A call for applications is hereby announced for students of the National Research University “Tashkent Institute of Irrigation and Agricultural Mechanization Engineers” to participate in a 3-month academic mobility at the Slovak University of Agriculture in Nitra, Slovakia, under the Erasmus+ International Credit Mobility programme (KA171, 2025 call).

This academic exchange programme is implemented on the basis of the inter-institutional agreement signed between the National Research University TIAME and the Slovak University of Agriculture in Nitra.

Brief information about the programme:

- Number of places: **2 students**
- Duration of mobility: **3 months**
- Type of mobility: **study mobility**
- Host institution: **Slovak University of Agriculture in Nitra (Slovakia)**
- Implementation period: within the **2026/2027 academic year**

Financial support:

Applicants who successfully pass the selection process will receive Erasmus+ grant support in the following amount:

- **EUR 1,188 per month**
- **EUR 211** as a one-time travel contribution

The above-mentioned funds will be paid **after arrival in Nitra** and after signing the Grant Agreement at the International Relations Office of the Slovak University of Agriculture.

Who may apply:

- students currently enrolled at the National Research University TIAME
- **PhD students / doctoral candidates are also eligible** to apply for and participate in the mobility

Selection criteria:

Candidates will be evaluated through an open and transparent selection procedure based on the following criteria:

- academic performance
- foreign language proficiency
- motivation for participation in the mobility programme

Deadlines for nomination of candidates:

The official deadlines for submitting nominations to the partner university are as follows:

- **31 May 2026** — for mobility to be implemented in the **2026/2027 academic year**
- **31 October 2026** — for mobility to be implemented in the **spring semester of the 2026/2027 academic year**
- **31 May 2027** — for mobility to be implemented in the **2027/2028 academic year**

Accordingly, all interested applicants are required to complete the internal selection procedure at the university.
