

The Thai International Cooperation Agency (TICA) of the Organization of Islamic Cooperation (OIC) plans to organize 29 online training courses in 2021.

The Thai International Cooperation Agency (TICA) of the Organization of Islamic Cooperation (OIC) plans to organize 29 online training courses in 2021, which will be attended by a number of representatives of higher education institutions.

We would like to inform you that some of these online courses (the list is attached) have been moved for different periods. (The new table will be published on the website <https://tica-thaigov.mfa.go.th>). Therefore, the registration period for the course has been extended to new terms.

New candidates wishing to participate in these courses must register on the website <https://qrgo.page.link/esKW8>.

Detailed information about the training courses can be found on the website <https://qrgo.page.link/esKW8> or by e-mail aitc@mfa.mail.go.th
