

UCAS 2021 Online Admission Briefing for International Students

University of Chinese Academy of Sciences (UCAS) is going to hold [2021 Online Admission Briefing for International Students](#) from January 19-21. The meeting mainly focuses on introduction of scholarship programs for incoming graduate students. UCAS main venue and 18 sessions by institutes of the Chinese Academy of Sciences are going to provide potential applicants professional application information and research advices.

Could you please kindly forward the meeting information and the attached materials to the potential applicants. We expect further cooperation between UCAS and your institution.

With Best Regards,

International Students Office
University of Chinese Academy of Sciences
